PREFACE

This report is the third of three reports comprising Volume 7 in the series on the Population Census taken on 6th September, 1960. Volume 7 shows the social and economic characteristics of the population in each magisterial district and economic region. Income and work status are dealt with in this report.

A list of reports which have already been published in respect of the 1960 Population Census appears under the heading "Bibliography" in the Explanatory Notes.

DIRECTOR OF STATISTICS

PRETORIA  
MAY, 1968

VOORWOORD

Hierdie verslag is die derde van drie verslae wat boekdeel 7 in die reeks oor die Bevolkingsensus, geneem op 6 September 1960, beslaan. Boekdeel 7 toon die sosiale en ekonomiese eienskappe van die bevolking in elke landdrosdistrik en ekonomiese streek. Inkomste en werkstatus word in hierdie verslag behandel.

'n Lys verslae wat reeds ten opsigte van die 1960-Bevolkingsensus gepubliseer is, verskyn onder die opskrif "Bibliografie" in die Verduidelikende Opmerkings.

D.P.J. BOTHA  
DIREKTEUR VAN STATISTIEK

3	- Females; Urban	69	205	331	- Vroulikes; Stedelik	3
4	- Females; Rural	103	239	358	- Vroulikes; Plattelands	4

1. Basis of enumeration:

The population data in this report are shown on a de facto basis, that is, persons are shown according to the place where they were enumerated. The following exceptions, inclusions and exclusions should be noted:

- (a) Persons enumerated on trains are shown according to their usual place of residence.
- (b) Where possible, South African residents who were abroad on census day were enumerated at a later date and these persons are also shown according to their usual place of residence.
- (c) Foreign visitors enumerated at the census are not included in this report. This explains the differences between the totals published in this report and those appearing in the report "Geographical Distribution of the Population" (Volume 1).
- (d) Members of the diplomatic services of other countries were not enumerated.
- (e) Foreign Bantu who were employed in South Africa on census day are included in the tables.

2. Race Groups:

This report is divided into three series of tables containing information on Whites, Coloureds and Asiatics respectively. The questionnaire for the Bantu did not include a question on income.

3. Presentation:

In all tables magisterial districts are grouped according to the 51 economic regions with a subtotal for each region and a total for each province and South Africa. A map and guide showing the economic regions and constituent magisterial districts appear on pages xiv and xv

4. Income:

- (a) Personal income - it should be noted that this report contains information on personal income.
  - (b) Definition  
    - Salary and wage earners: Gross income, that is, including deductions for pension, insurance, medical-aid schemes, etc.
    - Farmers, businessmen and professional men: Net income, that is, the expenses incurred in earning the income, deducted.
- In addition to earned income, the following are included:
- (i) Pensions, dividends, interest and other regular income;
  - (ii) the value of free or privileged quarters and/or rations; and

- (iii) the value of self-produced agricultural and pastoral products (including livestock and poultry) consumed by the family.

Income excludes:

- (i) Irregular or abnormal income such as inheritances, matured insurance policies, gratuities, etc., and
- (ii) household allowances and pocket-money transferred from one member of the family to another. Income was furnished either for the twelve months ended 31st August, 1960, or for the twelve months ended 30th June, 1960, whichever period was preferred by the respondent.

- (c) It should be noted that income did not in every case refer to the full twelve months, because not all persons were economically active for the full period, for example, students and scholars who completed their studies and started work during the period concerned.

5. Work Status:

"Employer" includes also workers on own account and family assistants employed in business, industry, etc. "Employee" includes also persons presumed to be engaged in the labour force and unemployed persons. "Other" includes persons not economically active (housewives, pre-school children, scholars, pensioners, etc.) and persons presumed not to be engaged in the labour force.

6. The majority of magisterial districts are comprised of both urban and rural areas. However, there are 11 districts, namely, Bellville, Cape, Simonstown, Wynberg (C), Durban, Benoni, Boksburg, Brakpan, Germiston, Johannesburg and Springs which are entirely urban and 9 districts, namely, Middelrift, Impendle, Mapumulo, Msinga, Ndwedwe, Mahlabatini, Nkandla, Ubombo and Sibasa which are entirely rural.

7. The omission of any district from the tables indicates that no population for a particular race-group was enumerated in that district.

8. No separate tabulations have been made in respect of the 7 Asiatics enumerated in the Orange Free State. These Asiatics have been included in the totals for South Africa.

9. Variations in data:

In some cases there are differences between the figures for corresponding items in the relevant tables of the same report or of different reports. These variations are ascribable to the method adopted in machine processing the data. The differences are in most cases relatively insignificant and therefore, unimportant. Furthermore the total of the persons, tabulated according to the various characteristics in the tables, seldom corresponds with the relevant population total. The "difference" between this total and the relevant population is indicated below the "Total" column by a plus (+) or minus (-) sign. This "difference" added to or subtracted from the total

of persons tabulated, gives the "Population Total" which is shown at the foot of each table.

10. Bibliography:

Issued reports:-

- (i) Special Report No. 234 - First Results of the Population Census, (6th September, 1960) - Geographical Distributions of the Population
- (i) South Africa and
- (ii) Territory of South West Africa.
- (ii) Population Census (6th September, 1960) Volume 1, Geographical Distribution of the Population - R.P. 62/1963.
- (iii) Sample tabulations (Population Census 1960) -
- No. 1 - Industry divisions, Age groups, Home languages - Whites.
- No. 2 - Industry divisions, Age groups, Home languages - Coloureds and Asiatics.
- No. 3 - Major occupational groups - Whites, Coloureds and Asiatics.
- No. 4 - Income - Whites, Coloureds and Asiatics.
- No. 5 - Industry divisions, Age groups, Major occupational groups - Bantu.
- No. 6 - Religion - All races.
- No. 7 - Level of Education - All races.
- No. 8 - Miscellaneous - All races.
- (iv) Volume II - Reports on the metropolitan areas namely -
1. Cape Town
  2. East London
  3. Kimberley
  4. Port Elizabeth
  5. Durban
  6. Pietermaritzburg
  7. East Rand
  8. Germiston
  9. Johannesburg
  10. Pretoria
  11. Vereeniging-Vanderbijlpark
  12. West Rand
  13. Bloemfontein
  14. O.F.S. Goldfields

- (v) Volume 3 - Religions, South Africa and provinces.
- (vi) Volume 4 - Education, South Africa and provinces.
- (vii) Volume 5 - Income, South Africa and provinces.
- (viii) Volume 6 - Industry, South Africa and provinces.
- (ix) Volume 7 - Characteristics of the population in each magisterial district and economic region.

No. 1: Age, Age by marital status and Home language.

No. 2: Occupation, Industry and Type of dwelling.

11. Symbols used:

- ? = Unspecified
- = A minus sign before a figure denotes "less than", thus - 400 means less than 400
- + = A plus sign after a figure denotes "and over", thus 10,000 + means 10,000 and over

VERDUIDELIKENDE OPMERKINGS

1. Basis van opname:

Die bevolkingsdata in hierdie verslag word op 'n de facto-basis getoon, dit wil sê persone word getoon volgens die plek waar hulle opgeneem is. Daar moet op die volgende uitsonderings, insluitings en uitsluitings gelet word:

- (a) Persone wat op treine opgeneem is, word volgens hul gewone woonplek getoon.
- (b) Waar moontlik, is Suid-Afrikaanse inwoners wat op die sensusdag in die buiteland was, op 'n latere datum opgeneem en hierdie persone word ook volgens hul gewone woonplek getoon.
- (c) Vreemde besoekers wat ten tye van die sensus opgeneem is, is nie in hierdie verslag ingesluit nie. Dit verklaar die verskille tussen die totale wat in hierdie verslag gepubliseer is en dié wat in die verslag "Geografiese Indeling van die Bevolking" (Boekdeel I) verskyn.
- (d) Lede van die diplomatieke dienste van ander lande is nie opgeneem nie.
- (e) Vreemde Bantoes wat op sensusdag in Suid-Afrika werksaam was, is by die tabelle ingesluit.

2. Rassegroepe:

Hierdie verslag is ingedeel in drie reekse tabelle wat gegewens t.o.v. onderskeidelik Blankes, Kleurlinge en Asiërs bevat. Die vraelys vir Bantoes het nie 'n vraag oor inkomste bevat nie.

3. Aanbieding:

In alle tabelle is die landdrostdistrikte gegroepeer volgens die 51 ekonomiese streke, met 'n subtotaal vir elke streek en 'n totaal vir elke provinsie en Suid-Afrika. 'n Kaart en gids wat die ekonomiese streke en landdrostdistrikte waaruit hulle bestaan, aantoon, verskyn op bladsye xiv en xv.

4. Inkomste:

- (a) Persoonlike inkomste - Daar moet op gelet word dat hierdie verslag inligting oor persoonlike inkomste bevat.
- (b) Omskrywing

Salaris- en loontrekkers: Bruto inkomste, dit wil sê met inbegrip van aftrekkings ten opsigte van pensioen, versekering, mediese hulpskemas, ens. Boere, sakelui en persone wat professies beoefen: Netto inkomste, dit wil sê die uitgawes aangegaan ten einde die inkomste te verdien, is afgetrek.

Behalwe inkomste wat verdien is, is die volgende ook ingesluit:

- (i) Pensioene, dividende, rente en ander gereelde inkomste;
- (ii) die waarde van vry of bevoorregte huisvesting en/of rantsoene; en
- (iii) die waarde van selfgeproduceerde landbou- en veeteeltprodukte (waaronder lewendige hawe en pluimvee) wat deur die gesin verbruik is.

Inkomste sluit uit:

- (i) Ongereelde of buitengewone inkomste, soos erfposies, uitgekeerde versekeringspolis, gratifikasies, ens.; en
- (ii) huishoudelike toelaes en sakgeld wat van een lid van die gesin na 'n ander oorgedra is.

Inkomste is verstrek òf vir die 12 maande geëindig 31 Augustus 1960 òf vir die 12 maande geëindig 30 Junie 1960, na gelang van die tydperk wat deur die respondent verkies is.

- (c) Daar moet op gelet word dat inkomste nie in elke geval op die volle twaalf maande betrekking gehad het nie, aangesien nie alle persone vir die hele tydperk ekonomies bedrywig was nie, byvoorbeeld studente en skoliere wat hul studies voltooi het en gedurende die betrokke tydperk begin werk het.

5. Werkstatus:

"Werkgewer" sluit ook werkers vir eie rekening, asook gesinswerkers werksaam in die besigheid, nywerheid, ens. in.

"Werknemer" sluit ook persone in wat veronderstel word om by die arbeidsmag betrokke te wees, asook werklose persone.

"Ander" sluit persone in wat nie ekonomies bedrywig is nie (huisvroue, voorskoolse kinders, skoliere, pensioentrekkers, ens.) en persone wat veronderstel word om nie by die arbeidsmag betrokke te wees nie.

6. Die meerderheid landdrosdistrikte bestaan uit sowel stedelike as plattelandse gebiede. Daar is egter 11 distrikte, naamlik Bellville, Kaap, Simonstad, Wynberg(K), Durban, Benoni, Boksburg, Brakpan, Germiston, Johannesburg en Springs wat uitsluitlik stedelik is, en 9 distrikte, naamlik, Middeldrift, Impendle, Mapumulo, Msinga, Ndwedwe, Mahlabatini, Nkandla, Ubombo en Sibasa, wat uitsluitlik plattelands is.

7. Die weglating van enige distrik uit die tabelle dui aan dat geen bevolking vir 'n bepaalde rassegroep in daardie distrik opgeneem is nie.

8. Daar is geen afsonderlike tabulerings gemaak ten opsigte van die 7 Asiate wat in die Oranje-Vrystaat opgeneem is nie. Hierdie Asiate is ingesluit by die syfers t.o.v. die totale vir Suid-Afrika.

9. Afwykings in die gegewens:

In sommige gevalle bestaan daar verskille tussen die syfers ten opsigte van ooreenstemmende items in die betrokke tabelle van dieselfde of verskillende verslae. Hierdie verskille word toegeskryf aan die metode van masjinale verwerking van die gegewens. In die meerderheid van die gevalle is die verskille betreklik klein, en dus onbelangrik. Voorts stem die totaal van die persone wat volgens die verskillende eienskappe in die tabelle ingedeel is, selde met die betrokke bevolkingstotaal

ooreen. Die "verskil" tussen dié totaal en die betrokke bevolkingsyfer word onderaan die totaal-kolom met 'n plus (+) - of minus (-) -teken aangedui. Hierdie "verskil" bygetel by of afgetrek van die totaal van die persone wat getabuleer is, gee die "Bevolkingstotaal", wat aan die voet van elke tabel getoon word.
