# Thank you!

Emily Davey and Caroline Pidgeon would like to thank all residents of Norbition who voted for the Lib Dems in the London Mayoral and Greater London Assembly list in May.

Caroline was elected and will continue her work holding the new London Mayor to account. She has been selected to chair the vital Transport Committee.

"Here in Kingston, the Liberal Democrats were the only party to **increase our vote share on all 3 ballot papers,**" commented **Emily Davey**, Surbiton resident and GLA candidate.

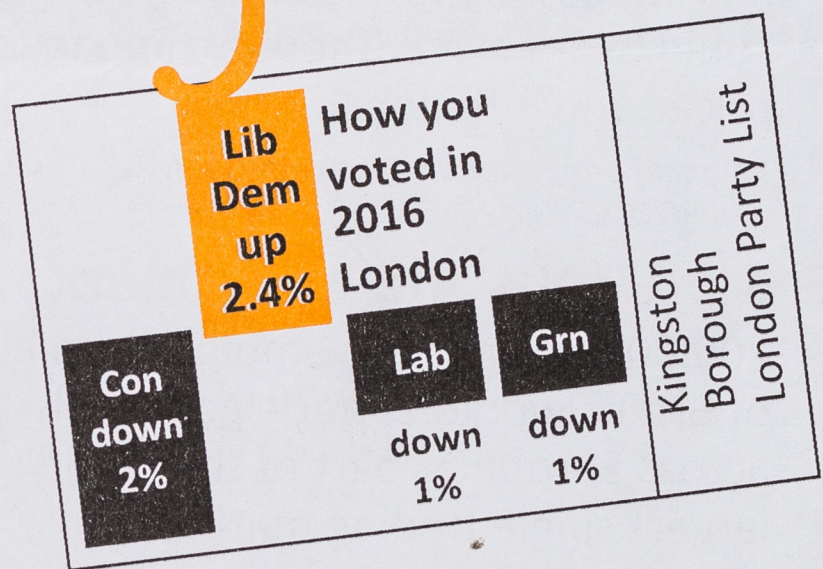

"So thanks to you, Caroline will continue to champion Liberal values on the London Assembly. I'm delighted her talents have been recognised with this key Transport job, as public transport is so important across Kingston Borough."

## Tories let Norbition residents down

The good news is that there will be a new local primary school. However the bad news is that because of having to work with a costly blunder by the Government's Education Funding Agency and intransigence by local Conservative councillors, it will be sharing a tiny site with a housing development in the already highly congested Coombe Road.

"Cllr Bill Brisbane and his Lib Dem colleagues tried to get better for Norbition, but were outvoted on the Development Control Committee by Conservatives desperate to pursue the Government's Free School agenda against all reason" said local Activist Dave Ryder-Mills.

"We now risk increased traffic problems getting children to a cramped and poorly provided site" added Bill who considers that if a school is to be developed on this site it should not be accompanied by a 6 storey apartment block with the school's assembly area/dining hall and sports facility in its basement.

# 3 GOOD reasons to vote to remain IN Europe

## 1. Greater Security

7,000 suspected criminals have been sent home to face justice because British police can work across borders to keep us safe.

## 2. Lower Prices

It is impossible for us to see how there could be an exit without an impact on prices and inflation.

## 3. More Jobs and Investment

200,000 businesses, employing millions of British workers, trade goods all across Europe as part of the world's largest single trading market.
