Dear Miss Newsome

I have heard from Miss Winifred Mayo that she considers that a Jane Prosser's bannerette would be acceptable for the Suffragette Museum at Kensington Palace, but she tells me that at present the space is very limited, and until extension is possible it could hardly be displayed, so that

it might be advisable to
hold it in reserve - It is
at her suggestion that I am
writing to ask if you would be
willing to take charge of it,
as I myself, now being 90, am
wishing to pass it on to safe hands
It is not large, 33 x 22 inches, framed.
I worked it myself, on white satin
If you have seen it the enclosure
will be a reminder. It is
now being properly cared up for
transport - If you will very
kindly accept of its custody
will you let me know to
what address it should be sent
Am I right in thinking

AL/1255 cont

that I met you once? It was when I was contemplating a sojourn in Holloway, and you put me over about conditions there. But it may have been a year or so later before I reached that goal - yes I mean goal - for goal was that to us then!

I am hoping that thanks in advance will not be misplaced.

Yours sincerely

Clemence Houseman
