Dear Mrs Roberts,

Thank you for your letter. I feel that what you suggest would be very valuable and indeed that it ought to be done. I am going to be away from London for rather a long time this summer and my time is already rather badly filled up, but I suppose you would not call the proposed conference until the autumn? If so, I should be very glad to know of it and be allowed to attend.

Yours sincerely,

A. M. Royden.

I have no recollection of this "proposed conference." It must have been abandoned.
