My dear Mr. Ridley,

The new Report, which will be out in about 3 or 4 weeks, Mr. Low willing, will answer the end of such a little book, you write of. I have ordered 20 copies to be sent to you, when ready, for your friends. You will find in it a kind of abridgement of the work for the past 31 years, principles of the Institution, etc; and it will not be quite

as large as the former.
I thank you much for
your father's kind
intentions. You re-
member that Tuesday,
Wednesday & Thursday
are the days for seeing
the houses. You ought
to go through all three
to form a correct view!
But if you cannot do
that, at least through
No 2 and No 1 on Tues-
day & Wednesday.

Yours gratefully,
George Müller.
