Dear

Mrs How Markby

I am so sorry you could not attend Miss Eaton's "At Home" last Friday afternoon, as I should so much have liked to thank you in person for your generous and handsome gift to me.

I feel quite unworthy to receive this testimonial: indeed, when I remember what other women have suffered and sacrificed for our great Cause, I cannot understand why I should have been singled out for such an honour.

You will, I am sure, be as pleased as I am, to hear that the pigskin purse contained a cheque for £78. I was also given a beautiful address tied with our colours, and the signatures of subscribers appended; and I do hope you will give me the earliest opportunity you can to have yours added to the list.

My heart is altogether too full to try and express what I feel for this mark of your esteem, but I trust you will allow me to say that I consider it has been the very greatest privilege to have worked so intimately and so successfully for the last four years with the women who have, by their zeal and enthusiasm, created so high a place amongst Suffrage societies for the Women's Tax Resistance League.

Trusting that you will accept my loving and appreciative thanks for your great kindness.

Believe me,

Yours most sincerely and gratefully,

Margaret Parkes
