Aug 8. 1919

Dear Mrs P. Turberville.

Another development! How can we
meet it? The Bishop's explicit permission
takes nonsense of their "back," and I
am persuaded they have not the majority,
save amongst persons. Can we organize?

Oh! that I had money. Let me know

what can be done? Can you procure

permission for me to give a full

account of our Cause to Westmorland

Gazette & Daily News and Nation?

Sincerely yours,

J. Paulford
