Dear Miss Mason

I have much pleasure in forwarding to you on behalf of my Committee the enclosed cheque for £77.10 as a further instalment of the London Society's contribution towards the National Union's Special Effort Fund. Of this sum £50 is a grant from the Committee of the Civic & Dramatic Guild and £27.10 is the profit of a swimming entertainment held in the Paddington Baths on July 10th and organised by Miss Costelloe and Miss E. Rendel.

My Committee trust that it may be found possible to enter the various items of this Society's contribution towards the Special Effort Fund separately. They expect in the autumn to have the pleasure of forwarding contributions from many of their branches and local Committees and they feel that it will give satisfaction and encouragement if the amounts can be separately recorded.

Yours sincerely
