Dearest Mr. Ker,

So many thanks for a dear & interesting letter of
March 9. The things came the very day I moved down
here. So very many thanks. I had felt practically
sure I had that green book-handle umbrella at home
but it is nowhere to be found so I may have left it
at your house. Should be most grateful if you could
send as I have also lost another commiseration
had. I do hope you will let headquarters know of your

Yours
Tertie
