2 Gower Street. May 24

Dear Mary,

So many thanks for our kind  
letter. Would it be too soon  
& dear? I shall be delighted  
to meet Miss Allan. If it could  
be arranged for one afternoon next  
week it would be best for me as  
I rather hope to get Agnes away

for a little round among the French  
cathedrals in early June. My  
engagements next week are on  
Tuesday at 4.30 & Friday at 3.30  
all the other afternoons I am  
free.

Agnes has told me that you

have the good luck to have your  
birthday today, so that we can  
think of you & Victoria & the  
Empire and bless you all at  
the same time. Agnes and  
I are sending you a little  
beauty bangle for your neck.

Ever you affectionately,

M. G. Fawcett
