Dear W. Fawcett

Thank you so much
for your kind words. They
were very welcome to me,
for you do know what sisters
may be to each other - and
~~there~~ are many who don't.
My sister's work with

live after her - the letter from
the girls also felt her influence
show this. But the loss to those
who loved her is irreparable.

I am getting back to my
work. It is the best thing for
all of us -

Yours sincerely
Mary A. Ward
