54, PORTSDOWN ROAD,

MAIDA VALE. W.

My dear Borne Mamma

I believe you have arrived
& I earnestly hope you
had a comfortable journey.

It is a great worry to me
that I cannot go over to
see you, - but besides my
Laziness. I have had
the most tremendous
rush of Proofs that ever
tormented me. - imagine

two whole Volumes in one
week! - another yet remains.
Will you name your own
day to come over to Luncheon.
I have no engagements
this week - nor shall I make
any - until I hear from
you, - & till then I will
reserve any little news I
have - & exchange with
you. - Mary & Ida's dear
Love Ever affectionately Yrs

Annie Hector

Pray give my love to Mrs. Silva - &
pray tell how much obliged to her I am
for the loan of her carriage.
