AL/2868

Dear Miss Goddard,

I fear there is no chance of my being able to help in fixing up a meeting just now. We are in the thick of the London County Council Elections, but I will bear it in mind and try to seize any opportunity that may open up. In that case I would let you know at once.

I feel that the whole Movement is making a steady advance.

Yours Very Sincerely,

*C. H. Grinling*
