

AL 2293  
FROM VERA BRITAIN, 4, WHITEHALL COURT, S.W.1. 26. 4. 55

Alas! I have been obliged to send your housekeeper  
a p.c. to say I can't manage to call to-morrow  
- the damage to my knee is ~~not~~ not exactly  
worse, but being precisely on the knee-cup just won't  
heal unless I give it a couple of days rest. So I  
fear it means bed to-morrow instead of Brighton!  
George is however extremely interested, as I understand  
would be, in the possibility of our taking your flat  
for a week at the rate suggested - say just after  
Whitson? Unfortunately he is tied up by election  
speeches all through May. Yours ever  
V.B.
