my Dear Mrs. Jewett

I am pained to see that  
the sorrow which all passed  
night - is coming has actually  
fallen on your home. It  
would have been so wonderful  
had she been spared to  
complete her 90 years, but  
it was not to be. This  
severe spell of weather has

made itself felt wherever there  
was age & failing powers.

We hope to believe there would  
be no suffering and that her  
bright spirit would pass away  
leaving only thankfulness  
behind.

Please give my love and  
sympathy to Agnes & be assured  
that we are thinking much of  
you all. Love from all  
Miss Ashworth Hallett
