Dear Mrs Saylor.

I was delighted to get your letter, as we are most anxious to get into touch with as many as possible of our old members.

We are trying to get a complete record of all who went to prison, ~~and who~~ brought them into the movement. What they did, if they went to prison the length of their sentence, nature of offence, whether they hungerstruck or not, & if a length of hungerstrike.

The enclosed pamphlet gives further information as to our activities & we should very much like you to join up & help. There is a Mary Saylor mentioned Nov. 1911. was that you? The money made on the sale of the enclosed pamphlet is for the Funds so if you can help to dispose of a few. I should be most grateful.

With kind greetings.

Yours sincerely

Geraldine Lennox
