Dear Madam

I am desired by the Committee to inform you that it is proposed to present the Petitions from Women Electors in support of the Conciliation Committee's Bill at an early date in the coming Session. I shall therefore be much obliged if all such Petitions are forwarded to me as soon as convenient, by November 10th if possible.

Further I am instructed by the Executive Committee to urge your Committee to petition all local governing bodies asking them to pass resolutions in support of the Conciliation Committee's Bill, as has already been done by many of the most important local governing bodies of the country. If this could be done immediately the Committee would be most grateful, as as many as possible of such resolutions ought to be sent to the Prime Minister and the local Member of Parliament before or soon after the re-assembling of Parliament.

The different Federations of the National Union of Women's Suffrage Societies have already been asked by the Committee to urge all Borough Councils to pass such resolutions.

Much hoping that your Committee will be able to assist the Executive Committee of the Union in their support of the Conciliation Committee's Bill by getting your local governing bodies to pass these resolutions,

I am

Yours truly

(Signed) T.G. Whitehead.
