

March 5<sup>th</sup>  
From Mrs. HENRY FAWCETT, 2, Gower Street, London, W.C.

My Dear Philippa,

AL/2552/15

I do so thank you for those lovely flowers  
and all the kind thoughts which I know  
came with them. I am so glad to hear  
you are going on a holiday. I know you  
must want it after all your hard

work. We shall be very interested if you have  
time to write to us from France.

With love & blessings from affectionately

M. G. Fawcett
