Nr. SEVENOAKS.

May 13.

Dear Madam.

Lady Beatrice Kepp
has sent me on
your letter re the
Women's meeting on

June 2nd.

I am sorry I cannot

help in the matter
but there ~~are~~ ^{is} 2 reasons
against being so.

First at a Com^{tee} meeting
2 years ago there a

similar question came
up it was decided
that owing to the

different views of
many of the S. A. N.
members it was better
to exclude politics & not
to further any particular
cause.

For instance personally
I am very very strong
against women's suffrage

Therefore I could not
help towards persuading
Ladies helping at fish
Clubs & take their
members to the meeting.

Yours truly

Beatrice Froster
