My Dear Pippa.

Last night I received the joyful intelligence from Black
Rod's office that the Royal Assent is to be given ^{to our Bill} at
6.30 p.m. on Monday next. It is a wonderful remedy,
for all of us who have been in the Suffragist fight for
years and years. I welcome so gratefully
all you have done for our joint cause. We are very ^{sorry}

indeed that neither you nor, I am afraid, Ray can be
with us in the flesh, but we will walk in their noble spirit
and we shall be think you & all you have done for
our cause. There never has been a more splendid &
creative collaboration ^{both} we have ^{been}. I wish
you better last in yr. She has been looking so splendidly
well lately. I hope she will drop it up & welcome you home.

Always your affectionately
M. G. Fawcett
