2, Gower Street.

My dear Miss Strachey,

How can I sufficiently thank you
all for this beautiful gift which
Miss Dunock brought me last night.
I am perfectly overwhelmed by all
this kind dress. Do advise me
how I can best thank all the
kind donors. The pretty album with
their names will ever be cherished
by me as well as the beautiful

copy of the Madox Browne picture.

I hope you are away somewhere
having a holiday. I go tomorrow

L. Aldbury

Ever yours affectionately

M. G. Fawcett
