Dear Madam,

This is a matter for the
Bishop & Dean, not for me.

But I am bound to say

that I hope an ~~arrangement~~

agreement will shortly be arrived

at among the bishops or that

some may or may not

be allowed to do in church.

and that I hope no new

Bp of Exeter

steps will be taken in any
direction pending some
general decision. Let
us do what we can to ach
ieve better.
