Mrs Elizabeth Thompson  
presents her compliments to  
Lady Waterford & thanks  
her very much for her  
kind note & the extract  
from Kinglake's "Inver-  
man". Mrs Thompson  
had already marked  
that passage as containing  
a very good subject,  
& she thanks Lady  
Waterford for reminding

her of it. Mrs Thompson  
hopes to paint it per-  
haps for next year.

She keeps to assure Lady  
Waterford that she has  
a perfect recollection of  
meeting her at the  
School of Ant Needlework,  
& also to say how  
pleased she would be  
if Lady Waterford  
being in town would  
pay Mrs Thompson's  
studio a visit, any

except Wednesdays  
day between 4 & 5. Lady Waterford  
will perhaps let Miss Thompson know  
on what day to expect her if she comes.  
The studio is at "The Avenue" 70  
Fulham Rd.
