Our 2nd?

Dear Mrs. Waring.

I wd like very much to see
Mr. Cronwright-Schreiner. Either
of those dates would suit me to
have the pleasure of coming to see
you if he wd choose which suits
him.

I was going to send you enclosed,
but I was sorry when the type came
out & did not know the article had
appeared until recently when some
American friends suddenly appeared
on the scene & drove me from
my remembrance. I hope you will
think that this is fairly right. I

could not have done it without your
kind help.

My love to Mr. Mott & Mary.

In very cordial
