Dear Miss Stöckley,

I am delighted to hear
that you are going to have
your meeting of working
women after all. I thought
it a splendid idea &
was sorry you had to
substitute an ordinary one
for it in the winter. But
it will be even more

Fawcett Library
27 Wilfred Street
London S.W.4.

Affective coming now.

Am you going to have a
procession? No, I expect
that would be very difficult;
& costly in time & work.

I enclose 23/-

£1 from my mother
3/- from myself (I wish
I could afford more)

towards B (^{two} ~~five~~ ~~pieces~~ of
work by women) — or to
be used as most needed.

We don't want to earmark
it; I only mean that we
can't do anything from here
in the way of distributing
tickets.

With you please send
me 200 copies of your
Circular (if you can spare
so many) & I will
have them distributed at
~~on~~ the Annual Meeting
of our Keswick Society
next week? & at the
Annual Meeting of our

Seller
leaflets
(200 of
each)

North - Western Federation

at Carlisle on ~~Sat~~ ~~Tomorrow~~

week, & will speak
about them & see if

we can't raise a
collection to help.

We are asking for money

for so many things
I just can't, so I can't

hold out hopes of

v. much, but every little

helps, & there will be

3 gatherings to appeal to.

Yours - Wash
