My dear Daisy.

Welcome back & I hope your  
mother has benefited by Cliftonville.

Sydney is off. I just settled  
everything with them & went into every  
detail & I sent 2 guineas as deposit.  
& they coolly wrote to say the house  
was going to be pulled down before they could  
have me for a week or two! So I must  
advertise in the Gazette & Guardian  
& I know you will continue to help me to  
somewhere if my temporary. I am so  
sorry to trouble you so much. Dear  
Sydney seemed the best place to

operate from, but I cover impossible now, so  
they will be down anything & the staffing & I  
will care a hang about guests. I may  
have to get apartments first, but I feel  
very puzzled. The Marlford Hotel seems rather  
far to search for. Does it?

I have not seen Miss Holiday since she  
returned last Saturday. She wrote a card to

say she was very busy & did not suggest any  
work for me to go & see her, or for me to  
come, so of course I can do nothing!!!

But then people can keep me for another  
fortnight by which time they will be per-  
manently. I've been very cosy on my own  
here & G is in another hole about a mile  
away. We've met every day & cosed.

Always lovingly

B.H.
