Dear Mr. Harben

Enclosed is a statement from my dentist - I was not well enough to go to ~~the~~ <sup>him</sup> dentist for ~~a~~ few weeks after my release from prison but I was obliged to go to ~~the~~ at last because the broken tooth so cut the inside of the cheek that even now the wound is not quite healed -

I hope you were able to obtain the necessary statements from the two doctors whose addresses I sent you. It seems

men in the position of  
incredible that Mr. McKenna & Dr. Forward of Holloway  
prison could be so untruthful as to deny the  
treatment I received in prison. Enclosed is

The copy of a <sup>private</sup> letter sent by the prison doctor  
to a lady who made enquiries about ~~me~~ the treatment  
I received ~~in prison~~ from him.

How is one to cope with such untruth?

Yours sincerely

R. May. Billingham.
