Dear Miss Glatman,

So many thanks for
hand-bills & particulars. ✓

As you assume I shall
travel down on Monday, &
I think this would be best.

I have to go up from here

that morning & also

to call at the office to

I expect I shall catch
the 12.10 train only from
Euston. Expect me please
by that unless you hear
to contrary.

I am sure you did
right by chairman.

It will be great fun
working together again.

With good wishes.

Yours most sincerely
Conny Lytton.

I shall be glad of the day with
you to realize more fully
what is required of me at
the meeting.
So many thanks for ordering
me a room at the hotel. I

hope it is not too

extravagant.
