

To the Chairman:-

AL/795

Can you tell us:-

- (1) What attitude the N.U.W.S.S. is going to adopt if the Bill is shelved.
- (2) Will you ~~become anti~~ adopt an anti-government policy.
- (3) Will you be militant.

Would it not be better to inform the Government of your intentions, not as a threat, but in order that they may count all costs.
