NAWORTH CASTLE,
CARLISLE.

April 22. 1911.

Dear Mr. Harvey

To you & your daughter we
send our loving thanks for
your messages to us.

I am glad you knew my
father & cared for him -
one wants one's friends
to have that in common
at such times of sorrow.

Yes, we are anxious
about Mother - for she
was ill before, & life
is hard to face now.

Yours with love

Dorothy Howard.
