My dear little Waiyken

Even so many thanks for your kind letter. I will
write to Mum, Mark & David, & after the Bank Holiday
I shall write you & spy out the land. I've had a week of
A.I. agony from my tooth extractions & jaw, but the
pain is beginning to ease down & before long I hope to recover
lost ground. My comfort here, via the situation,
kind people, & a big garden. I'd love to receive
you here, but before long, I'd come up & meet you at
Marylebone. I am so very sorry about the company
& understand so well all the difficulties. What a
world! Thank you as ever for all your kindness, dear
& please thank Mr. Raab for me. I have
your first & kind message.

Kind love to you both

Love
B.A.
