Dear Madam,

In reply to your letter of the 7th instant, I am desired to forward you the following Resolution for inclusion in the Agenda of the Quarterly Council Meeting to be held at Cardiff on October 6th :-

That the National Union's second question to candidates should be divided into two separate questions by the omission of the "and" and the insertion of a full stop after the words "sex disability".

Yours truly,

Assistant Secretary.

The Secretary,

National Union of Women's Suffrage Societies.
