Monday

My dear Miss Ridley

If Miss Leopold  
is well with you,  
will she give us  
the pleasure, and  
will you, of coming

in this evening,<sup>?</sup>  
about 8 o'clock -  
My sister is ab-  
solutely off when  
works, I am in  
the middle of letters  
needing attention,  
and have to

attend a meeting  
this afternoon, or  
I would have pro-  
posed an earlier  
hour, but by the  
delay we miss  
Miss Hopkins which  
we shall regret.

Tremely -
