Dear Mr. Bader,

So many - many thanks for your kind contribution and your still kinder words. Indeed Petersfield and the enthusiastic reception given to me by my friends there have left a very pleasant mark upon my memory. That is one of the beautiful parts of the woman's movement. It draws us all together - makes between us links which will never, I hope and believe, be broken. We are in the thick of work here

Y^{rs} affectionately
C. Despard
