I have some copies - As I am
presiding at an "informing"
meeting at Winchester in 10 days
time. It might be well to send
me some literature of the style of
Mrs. Fawcett or Mrs. Lytton -
not of the more violent writers.
I know many ladies who will attend.

I shall feel honored
 if my little dialogue can
 be of any use. Please print
 it if you think it can be
 used. I should be glad
