Dear Miss Fielden

I am so sorry I have left you like, when I  
found her in my return from Palestine, so long unaccounted.  
I also found a note by me another letter on the same subject -  
the memorial to dear J.O.F. I did answer that & asked  
for more particulars, an amount received & the amount raised.  
I thought I had said I had rec<sup>d</sup> no reply & I shut off  
writing to you for a day & day on that account. Perhaps you can

kindly give me his facts. I asked for or an approximate  
statement of them. I too loved Isabella dearly and had subscribed  
to a memorial letter. but I will gladly subscribe again if  
that will make things easier.

You must come & see me to have a pleasant talk,

Always your sincerely —

M. S. Jewett
