Working Women Meeting

June 14th 1911.

Dear Mrs. Raynbird, Miss Bertram, and Mrs. Hogg, Mrs. Auerbach,

We are desired by the Committee to convey to you their warmest thanks for your great kindness in sending us such charming material for decorating the Queen's Hall for the working women on June 2nd.

We have heard from many people how effective the decorations with flowers and "greenery" looked.

J. E. X.
