Dear Madam.

On behalf of the executive Council of the Institute in connection with the Siderup Cong<sup>l</sup>. Church I am writing to ask if you will supply us with a well known speaker on the subject of "Women's Suffrage" for a public meeting next November.

We should be very glad if Miss Parkhurst or Miss Kenney could come

and we can assure you  
they will receive a very  
heartly and sympathetic  
reception.

Hoping you can  
arrange this for us -  
(the date is left to you.)

I remain

Yours faithfully  
L. Castwood
