February 16th, 1910.

Dear Sir,

I am instructed by the Executive Committee of the London Society for Women's Suffrage to ask you if you would be willing to stand for election to the Executive Committee of the National Union of Women's Suffrage Societies for which you were nominated at their last meeting. They would esteem it a great honour if you would consent to stand and hope that your many other public duties will allow of your doing so.

I shall be glad if you will kindly let me know your decision as early as convenient and in the event of your consenting may I trouble you to fill in and return to me the accompanying paper.

Yours truly,

The Right Hon. the Earl of Lytton.
