My dear Mrs Fawcett.

Of getting no answer fr. H. R. H.
means that she is offended, most
of the world wd be in her black
books! To do her justice she
never takes needless offence. But,
she has no method or arrange-
ment as to correspondence,
& the result is deplorable. This
last year she has been very
unwell, & as far as I can
make out nothing has got

attention.

I will see what I can do in
Kensington about the concert—
my time in London is going
to be very short this year, when

I do arrive, I might try to
talk over the matter with

H. R. H., & see what I can

manage. Yrs affly
