Dear Miss Hill

AL/2211

My husband has written a
play in 3 acts - It has a strong
human interest - in what
is called a strong play.

I should be so grateful if you
would have the kindness to
read it, and advise him
about it.

He had a little one act play
on with Sturges Kings the last
year - which did quite well -
No one has seen this play
yet.

Very sincerely yours
Maie Bolloc Laurence
