Thank you so much for letting us know about Lord
Ponsonby's lecture. At the moment I am not allowed
to go to any meetings at all, but if I get a little
less liable to be sick in crowds before then, I'd
like to come. I have a very tender spot for
you who was one very kind to me!

I've passed on the notice to Vera Buttram &
Gordon Catlin, I hope you
hear from them.
