Dear Madam.

Forgive me for
not replying to your
letter before. I hope very
much to be able to
attend the Conference
in September & I will
also try to let you have
some notes by the beginning
of that month. I have
no objection whatever
in making any members
of the W. S. P. U. I thought

the proposed Confession was
to be kept strictly private
but according to the
report in the Church
Times the Secretary of
the E. C. U. seems to
know all about it.
I cannot help thinking
that it would be
better for the present
that the subject should
not be made public.
It seems to me that
the question of ordination
for women to the
Priest-hood is a very

difficult one & will
require much thought.
For we shall have the
greater part of the
whole Church against
us - I feel there are
many difficulties to
be overcome - I quite
think with you that
it is a matter of us
cannot pray & that
all may be guided
rightly by the Holy Spirit.

Yours sincerely
Sister Ethel. S. O. L. H.
