Dear Mr. How-Martin.

I am very sorry not
to have seen you. I
received a note from

your friend after she had
runny the other night. Since

then I we have been
expecting to see any time.

I have a Newman Hall
for your address today

THE AUSTRALIA HOTEL
SYDNEY

but have not time to
contact you without a phone.

I am very sorry to hear
that you have been ill.

England is looking rather
shabby & doesn't feel but
our spirit is good & that
is the chief thing.

With very best wishes

Yours
Edna Sumner Bell
