Dear Miss Tien,

I think I cannot say no to
your invitation, ~~a little~~ So shall we
settle it for Feb 29th, & I will be
with you a little before 4 o'clock. -
You will not forget to ask your
helpers to leave their needlework
behind them!

Will you tell Miss Ballantyne
about the Divinity Fund which is
just meant for such as she. It is
not a loan but a ^{gift} fund, though if
at a later time a Student wants to
help another she may repay it

in this way. I shall be delighted to
have her & she can enter at Easter.

Believe me

Yours affectly,

C. S. Maynard,
(Founder &
1st Principal)

P. S.

Thanks for letting me see Miss
Alcock's note. She is an Old Dear.
