Dear Mr Fawcett

We got to the meeting  
last night just before the  
questions were put & the  
second one was asking Mr  
de Pass if he was in  
favour of women's suffrage -  
he replied - "I could give  
my support to no Bill  
except one for the enfran-  
chisement of all men &  
all women over 25 years  
of age" - wh. struck

me as mere evasion - I  
didn't like the tone in  
wh. he answered the  
question either - & altogether  
he did not seem at all  
attractive - however I  
imagine he has no chance  
of getting in & he won't  
be able to be against us.  
I hope Miss Garrett is  
getting better but this

weather won't keep her so  
far rid of her cold &  
am afraid.

With love to you both

Yours affectionally

Lucy Palmer
