

Lady Byron —

AL/2310

Dear Miss Carpenter,

It is most gratifying to me to learn that you will undertake the biography of my beloved friend & <sup>friend</sup> Suckerman. I have often lamented, & wondered at the same time, that his light should not be "set on a hill" —

I trust that I can help you, & I shall do so with my whole heart — The few

letters of his addressed to me  
are I believe chiefly our  
masters of little interest  
for general readers - but  
I should submit them  
to you without reserve -

The person who has the  
most valuable memorials  
of Tuckerman in England  
(known to me at least) is

Mr William Rutherford

Green Bank

Leamford

I thin in correspondence  
with Tuckerman's daughter

I know a Family of Beagons  
also, who had an intimate  
acquaintance with him -  
Dr King M.D. of Brighton  
could give you some facts  
concerning Dr Tuckerman's  
visit to that place -

If Mr Phillips ~~who~~ shall  
live, it must be in his  
power to give many  
interesting details of their  
joint visit to England -

I mention what occurs at  
the moment, but may recollect  
more - Yes - Mr Reid

Could doubtless supply you  
with letters &c of D<sup>r</sup> T<sup>r</sup>  
Believe me Dear Miss Carpenter

Yours truly

W. Noel Byron
