

Buckin' St. Palsdamhouse 99  
AL/3766 April 7<sup>th</sup> 94

Alas, my vacations came to an  
end at the 5<sup>th</sup> of this month, but  
perhaps the temptation to join you  
at the Tamms for a few days would  
be irresistible, if I were not unduly  
concerned about my mother who had a severe  
slight attack of paralysis this  
morning, owing to the fatigue of  
the week. Please let me know however  
whether you are going to Tolson's  
and when you shall be there. I am  
distressing in great hurry and perturbation  
but hope all will be much better  
in a few days. Yours affectly A. A. C.
