Dear Mr Taylor,

Referring to your letter, I propose to ask you questions with regard to your evidence to bring out the facts of your acquaintance with the Women's Social & Political Union. In particular, I shall ask you with regard to the Albert Hall meetings and with regard to the Women's Social & Political Union processions. I shall be glad if you will let me know whether you were present at the great Albert Hall meeting in November last.

Yours sincerely,

*F. W. Pethick Lawrence*
