Dear May,

So many thanks to you for the lovely Deonimia
cream which reached us yesterday as was
excellent indeed. I am sure it must be
very good for Agnes and we all enjoyed some
of it last night at dinner. I wish for only

lover in & share it with us. We all form in
warm thanks to you for it. I am rather "just-
about" this morning by the ceremony which is taking
place this afternoon at the E. S. A. Hotel & I have

to present in "purple" contributed by the Dames of the ^{9th} ^{Bill}
Lille-Queen. So good by & for an afternoon dear Mary
I hope to see you all with a very ^{improvement} opportunity
